

PSHE

This term the children will be exploring several emotions and ways of coping with them. They will also focus on their relationships with their peers and recognise that different people can have different feelings in the same situation.

French

This term we will be learning about France, colours and the months of the year.

RE

Who do Christians believe Jesus is?
In this unit, the children will look at the person and character of Jesus, including many of the names that are used for Him in the Bible.

Computing

This term in computing we will discuss how we can stay safe on the internet, learn the SMART rules and talk about the importance of reporting negative online behaviour to trusted adults.

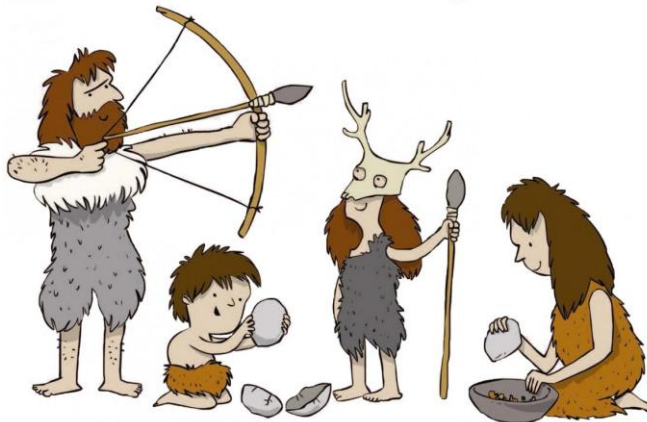

Art

As our focus is drawing, this term we will explore the work of artists who tell stories through imagery. The children will use their sketchbooks to generate ideas about how they might respond to a piece of poetry or prose whilst using different mediums.

English

We are going to start the term looking at 1001 Arabian Nights - focusing on the story of Sinbad the Sailor. We will use this to help us develop our descriptive writing skills before writing our own journey stories.

We will also be doing guided reading lessons using the book 'Ellie and the Cat' and practicing our spelling and handwriting.

Stone Age to Iron Age Falcons Autumn 1, 2026

History

This term we are learning about The Stone Age, Bronze Age and Iron Age. The children will explore the different time periods and how daily life changed as history progressed. They will also learn about archaeological findings and their importance in helping us deduce information about the past.

Maths

This term we will start by revising addition and subtraction facts to 10 to support completing calculations for numbers to 1,000. The children will also learn to recognise place value, partition 3-digit numbers, count on multiples of 10/100 and divide 100 into various equal parts.

Science

This term we will be learning about animals including humans. The children will revise what a balanced diet is and explore the nutrient each food group provides. We will also be learning about different types of skeletons and how our muscles flex and contract.

P.E

P.E will be on Tuesdays and Fridays. This term the focus will be hockey and team activities. Please ensure that your child in appropriate P.E kit.

Music

In music we will be exploring different musical structures, instruments and key elements of music while thinking about how music brings people together. We will also be finding out about our musicians of the month.
