

Parent Survey

Nov 2024

Thank you for your responses! They are a great way to measure how you feel about the school on specific questions. This November 39 responses were collected with 17 comments. Compared with the previous surveys the parents' responses trend is positive overall, yet one area 'children wider personal development' needs addressing.

We understand that many parents value Forest School and share their disappointment about its absence. Unfortunately, financial constraints are preventing us from bringing it back. To compensate, the school organise a variety of popular after-school activities and continue exploring ways to incorporate outdoor learning within our resources.
