Dear Parents

Another term has flown by. The children have worked incredibly hard and enjoyed the various celebrations that we have shared together. Well done to all our children in Robins and Owls for putting on two fantastic shows last week. The singing and acting was just fabulous. We are very proud of all our children and a big thank you to all the staff for making this happen.

This week we celebrate Christmas lunch together and the Carol Service in the Church on Thursday afternoon. Thank you to you all for the support you have given to the St Laurence team and myself, it is very much appreciated. We all hope that you have a lovely Christmas with your families.

Carol Service

You are all warmly invited to join us at St Laurence Church on Thursday at 2pm for our Carol Service. We look forward to seeing you there!

A huge thank you to Mrs Lavery and all the staff for providing such a wonderful Christmas Fair. It is so lovely when the community comes together. Thank you to each and every one of you for supporting the school and helping raise funds to further develop resources in school for the children.

Reminders:

Breakfast Club runs from **8:00am** each morning.

Gates open at **8:30am** all children should be in by **8:40am** at the **VERY** latest.

Please can children have coats in school?

There are several children without water bottles, please can you ensure your child has a labelled water bottle?

All uniform needs to be labelled.

If your child is unwell, please contact the School Office either by email or a phone call.

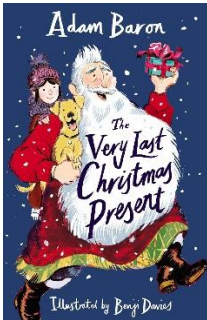

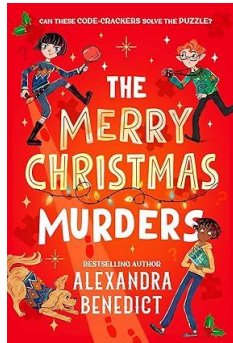

The Christmas tree is available for anyone who would like to take it on Thursday after school!

A shame for it not to have a home over Christmas!

Please contact the school office if you would like it!

Book recommendations from Mr Hook!

Reading books is one of the key ways children learn and develop but we also foster a love of reading for pleasure. If you are looking for some inspiration for your children, why not try these books.

<p>A Christmas Delivery – Andy Shepherd</p>  <p>Tomas and Lolli love Christmas. And they're not the only ones! Their dragons love Christmas, too. But they have a habit of getting into trouble. When a brand-new snow dragon hatches on Christmas Eve, she unleashes a flurry of snow that transforms their dragon-growing garden into a winter wonderland. It's all fun and snowball fights to start with... but there's one BIG downside. There's now SO much snow that they're stuck and won't be able to deliver the Christmas presents in time! Can Tomas, Lolli, Grandad and the dragons work together to save Christmas and spread a little magic?</p>	<p>The Very Last Christmas Present – Adam Baron</p>  <p>Father Christmas has a problem. He's back from his journey around the world on Christmas Eve but he's forgotten to deliver one of the presents! The reindeers are too exhausted for another journey, so there's only one option. Father Christmas's loyal – but very junior – dog, Kado, will have to step up to pull the sleigh, and make sure no child wakes up without their present on Christmas morning.</p>	<p>The Merry Christmas Murders – Alexandra Benedict</p>  <p>Every year, six local schools compete to win the Christmas Cup. Last year, the rival school to Brooke Parkin's school won for the most crackers pulled in a minute! This year, the cup will be judged and awarded to the school with the perfect mince pie. But when a series of murders seemed to be linked to the very mince pies (each with a clue from a letter from the alphabet imprinted in the pastry) the five neuro-divergent children must turn detective and combine their skill sets to find the killer. Can they prevent another death and save their out-of-school club from being shut down forever . . . ?</p>
